**Subject:** Cargill call

Dear Crystal,

In setting up tomorrow's call with Jo-Ellen Darcy, ASA for Civil Works, US Army Corps, her assistant conveyed their preference this be a call just with our RA, Jared Blumenfeld, rather than a three-way call with Ken K. Ms. Darcy is open to setting up a separate call with Ken if needed. We plan to update Ken on the results of the call immediately following. Sorry if this seems awkward, we're just responding to their request.

Thanks,

Alexis
